

Welcome to “Shoushan National Nature Park Website”, we would like to introduce the privacy policy of our website for you to enjoy our information and service. To ensure your rights, please carefully read the following:

What this privacy policy covers

This policy covers how we treat personal information that we collect and receive, including information related to your past use of our service.

This policy does not apply to external websites, and people who we do not employ or authorize.

Information Collection and Use

For the better of interactive service, we may ask for your personal information, such as:

- When you access our interactive functions such as writing e-mail to our service or filling in questionnaire, we will record your name, e-mail address, and the way of contact or time of use etc.
- When you browse our site, our server will automatically record the related path, including IP address, time, browser type, and the page you request as reference for our website service. They are internal use only, and not open to the public.
- To provide precise service, we will analyze the content and statistics of questionnaires. The result of analysis will translate the data into description. Other than internal study, we may publish the data and description if necessary, but any specific personal information is not included.
- We will not disclose your personal information to any third party or for other purposes beyond the original intent except for your permission or special provision of other regulations.

Information Protection

Our website is equipped with firewalls and anti-virus related information security facilities, and we take the necessary precautionary measures against any leak of your personal information.

With strict protection measures, only the authorized staffs are allowed to access your personal information. All related staffs are required to conclude a confidentiality agreement. If there is a violation of such agreement, the person will be punished according to relevant laws.

Where service is indeed required from any of our units to carry out business, we will strictly require employees to conform their confidentiality duty, and adopt necessary inspection procedures to ensure they fully comply with duty.

Link to external websites

We provide hyperlinks from our website to other external websites. However, our privacy policy does not apply to other external websites. You have to refer to privacy policy of the linked sites. .

Use of Cookies

To provide better service, our website will set and access cookies in your computer. If you are unwilling to accept the cookies, you may set the privacy protection level to “high” in your browser and refuse acceptance of cookies. But it may cause some functions of the website unable to be executed normally.

Changes to this Privacy Policy

We may update the privacy policy to meet the requirement at any time, and the revised version will be published on our site.
